⚡ LESSONS **CHEAT SHEET** ④ STUDENT PAGES FOR GROUP WORK

⚙ **Add students to groups in eFundi:**

Create New Joinable Sets — Edit details: Name, Number of groups, Max members — Add

Site Info — Manage Groups

Good options

Auto Batch — From Roles: Students — Create random groups from members with selected role(s) — Add

⚙ **Add Student Pages:**

Add Content / + sign — Add Student Content

Student action (Any group member): Add Your Own Page

⚙ **Allow Groups to own Student Pages together**

✎ Across Student Pages — ☑ Student pages will be jointly owned by all members of a group rather than an individual

☑ Tick all appropriate groups / ☐ Tick none for all groups — ☑ Students only see their own page (advisable) — Update Item

⚙ **Add Peer Review Rubric for groups to evaluate each other**

✎ Across Student Pages — ☑ Add a peer review rubric to each page

☑ Use Sample Peer Evaluation / ☑ Create new Rubric — Edit & Save — ☐ Untick Students only see their onwn page

Update Item

⚙ **Add Peer Review Rubric for groups members to evaluate each other**

✎ Across Student Pages — ☑ Add a peer review rubric to each page — ☑ Create new Rubric — Edit & Save

☑ Use rubric for students within a group to evaluate each other — ☑ Students only see their own page (advisable)

Update Item

⚙ **See Review activity:**

Peer Evaluation Statistics — Click on Grade = See who graded — Click on Student name = See who she/he graded

⚙ **Grade Student Pages**

✎ Across Student Pages — Create Markbook entries for these — Maximum points (Total score for Student Page)

Update Item — Click on a Group's Page — Top Right): Enter grade — Submit — (Repeat & add marks if multiple submissions)
