# Adding your eFundi Profile Picture

By uploading your profile picture, you make it easier for your lecturer and classmates to identify you during classes or when collaborating online.

1 Start by logging into eFundi. You will automatically see your Home page with an overview of the activities on all your sites.

2 Select the Profile button in the menu on the left of the screen. When you hover over the Profile picture area, click on the following link that will appear: Change picture

3 Click on the Browse button, seach and select the profile picture you would like to upload from your computer, then click on the Upload button.
