

## **EFUND** How to update your eFundi password

Your eFundi password, also referred to as your CAS password allows you to log into various platforms related to the NWU, including eFundi. It is extremely important that you remember your password and change it every three months.

Follow the steps below to update your password

On the eFundi Landing page (BEFORE you click on the login link) select the following button in the menu on the left:

## Reset Passwords

In the new window fill in all the fields and click on "Submit" OR If you have forgotten you password click on "Forgot Password"
