

eFundi Tutorial:

Joining a joinable site

Participation in most sites would not be possible unless the instructor add you to the site. **Joinable sites** are open and accessible to all. This manual provides the steps for joining a joinable site.

Once logged into eFundi,.

The screenshot shows the eFundi web application interface. The browser address bar displays the URL: `efundi.nwu.ac.za/portal/site/~s86/tool/c26ff6e8-4610`. The page title is "eFundi: Home : Membership". The navigation bar includes a "Home" dropdown menu and a "Sites" tab. The left sidebar contains a "MEMBERSHIP" section with a "Membership" link highlighted. The main content area is titled "Joinable Sites" and features a search box with the placeholder text "Type the name", a "Search" button, and a "Clear" button. Below the search box, there is a list of joinable sites, with the first item being "Worksite". The page also displays a message: "The list below includes sites that can be joined." and a pagination control showing "Viewing 1 - 20 of 284 sites".

1. Click on Home
2. Click on Membership
3. Click tab for Joinable
4. Type the site name into the search box, then click on search

Scroll down to find the name of the site that you should join.
