

eFundi Student Tutorial: Viewing your Gradebook

How do students view their grades in the Gradebook?

You will only be able to see the Gradebook or Mark book if your lecturer makes this tool available. The Gradebook allows a student to view all their assessment marks in one page. (This is only an example of a grade report)

Open relevant site.

Click on the Gradebook tool.

Select the Gradebook tool from the Tool Menu of your site.

View your grade report.
