

eFundi Tutorial: Test & Quizzes

What information is in a Tests & Quizzes email notification

Below are screen shots with examples of the email notifications you'll receive if you've selected to receive email for submissions from *Tests & Quizzes*. There are several types of notifications, corresponding to the different ways in which an assessment can be submitted:

1. **Manual submission:** A student clicks the **Submit for Grading** button on the *Assessment Submission Warning* screen to confirm submitting an assessment.
2. **Timer submission:** The timer expires on a timed assessment and automatically submits the assessment for the student.
3. **Automatic submission:** An instructor has configured an assessment to [Autosubmit saved student work after latest acceptance date, unless student has previously submitted](#). A student saves content in the assessment and exits it before the latest acceptance date, so the assessment remains *In Progress*. The saved assessment is automatically submitted at the latest acceptance date provided no other attempt has been submitted.
