Our Vision & Mission

ABOUT ORYX

VISION AND MISSION:

The men of Oryx strive to be a unique union, achieving both group and individual goals. We strive to provide the platform for personal growth, to help each individual be ready for the “world out there” when they complete their studies. Our mission applies to every student in Oryx in order to maintain a balance, an exciting yet responsible student life including academic, sport and social activities.

Support offered to our students

- Academic support
- Participation in all sports like soccer, hockey, basketball and body building
- Cultural activities – dancing, great debate and choir
- Active student life(social activities) – senior braai, barefoot day and outreaches to the local community.
