

Adobe Spark

CTL supported - [contact](#) an EdTech

[A-Z Ed Tech list](#)

Description & Purpose: Adobe Spark is a web design app that empowers students and teachers to easily create and share visuals. Create web pages, video stories, social media posts, custom size graphics, and photo collages.

Access: All Academic Staff has access to Adobe Education accounts. Students need to create a free Spark account. The only difference is the Spark watermark. Click on <https://spark.adobe.com/sp/#>, click on "Log In with school account", use your name.surname@nwu.ac.za email address. You will be directed to NWU CAS login.

Features:

- Royalty free photos and icons
- Upload your own images
- Easy text animations and gifs
- Design filters
- 1000+ Layout templates
- 100+ fonts

Uses:

e-Portfolios, concept videos, voice-over presentations, posters, adverts, Visual stories, Mood boards, study material graphics.
