## THIRD OPPORTUNITY EXAMINATION NOTICE FINAL YEAR STUDENTS ONLY

Applications for the third opportunity exam take place from 11 July 2018 to 20 July and are applicable to undergraduate and honours students, as well as students enrolled in structured Master's programmes.

**Please note:** No lecturer may grant any student this additional opportunity for the examination. You need to submit the third opportunity application form to the relevant Faculty Administrator (FA) for evaluation.

This notice explains the process that you need to follow to apply for the third opportunity examination, and provides you with all the relevant information you need to apply.

Please use the following checklist to see if you qualify to write the third opportunity exam:

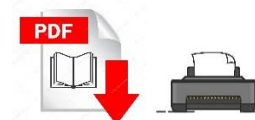

ACADEMIC RULES TO QUALIFY	YES	NO
1. I am a final year student in the course I am taking.		
2. I have written one or both of the first and second opportunity papers for the outstanding module to graduate.		
3. I have passed all coursework modules but require one module to graduate.		
4. I have achieved a participation mark for the module in question that allows me admission to the exam.		
5. I have previously failed the module in question.		

If you have answered YES to all of the above questions, or YES to questions 1-4, then you are eligible to apply for the third opportunity examination, and can proceed to the following application steps.

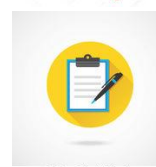

# STEPS TO APPLY FOR THE THIRD OPPORTUNITY EXAMINATION

The following is the primary method of application you need to use.

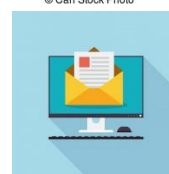

**STEP 1:** Access the third opportunity application form on the web (give url. link) and print the form.

**STEP 2:** Complete the application form with a black pen and scan in the form.

**STEP 3:** Email the scanned application form to the relevant FA. See the table below to locate your FA's email address.

Please take note that the application forms are also available at the offices of the staff mentioned on the lists.

Once your application has been submitted to the relevant FA, you will receive either an email or SMS response accepting or denying your application at the latest by 28 July 2018.

**Disclaimer:** You should not wait for the examination results of the first or second opportunity to be published if you realise that your examination result may be at risk of

failing. You therefore should take the initiative to apply as soon as possible if you are an at risk student.

## ALTERNATIVE STAFF LIST

Should you experience any technical difficulties and/or are unable to reach your specific FA, you can consult an alternative staff member to submit your application. Please make use of the following campus-specific list of staff members to contact according to your faculty.

You still need to follow the same three steps as outlined in the primary method of application to submit your application form.
