

# **Tests & Quizzes settings Best practice guidelines** 2021

to the eFundi Tests & Quizzes tool. Following are some guidelines from the CTL Teaching & Learning Helpdesk and IT support to help ensure a better experience for all staff and students.

The February 2021 updgrade resulted in some changes

### Don't delete your drafts You cannot import or share published

quizzes with other eFundi sites. By deleting your drafts (previously known as working copies) you also make it increasingly harder for IT and CTL to support you and your students. Rather use the drop-down to change

your view as needed.

### **Recommended Test Settings About this Assessment:**

### 1. Include clear instructions for your students.

- 2. Activate the honor pledge to promote academic integrity.
- Description/Intro (optional)

Please remind your students to:

- 1. Save progress while they are writing
- 2. They MUST click the submit button TWICE to actually submit. No submission = No grade

#### 2. Please select the option to accept late submissions and choose a time a little later than the due date & time. Students will not be

**Due dates:** 

aware of this, and this will increase the chances for a successful

## settings, like in the example below:

Assessment released to Selected Group(s) ▼

 Add more students to the group (in Site Info) to give them access to the test.

#### But you CANNOT: Remove a student from the group;

Then you CAN:

- Change the group linked to the test; or • Delete the group.
- If you remove a student, change or delete the group, all marks and

answers will be completely removed from the system.
