

MOHAU CAPITAL

MOHUA CAPITAL BURSARY

Bursary Candidate Identification Request

Mohau Capital is a black-female owned Advisory business that specialises in developing and implementing BBBEE strategies for clients. We are seeking the assistance of the professionals and student societies in identifying high-performing students who meet the criteria below for consideration for a bursary funding opportunity.

Candidate Eligibility Criteria

Applicants should meet all of the following requirements:

- **South African Black** male or female.
- Currently enrolled in **at least their second year of study**.
- Demonstrate strong academic performance with a **minimum B average (approximately 70% or above)**.
- Studying towards one of the following qualifications:
 - Accounting Science
 - Applied Mathematics
 - Investment Banking or related Finance qualification
- Demonstrate commitment to academic excellence, leadership potential, and a desire to contribute positively to South Africa's economic development.

Information Required

For each recommended candidate, we would appreciate receiving:

- Full name
- Student number
- Degree programme and current year of study
- Academic transcript or latest results
- Overall academic average
- Contact details (email and telephone number)
- Brief motivation or recommendation from the Faculty and the student.

Closing date

31 October 2026, 23:00.

The objective of this bursary programme is to provide financial support to academically deserving students from previously disadvantaged backgrounds who have demonstrated exceptional potential in fields that are critical to South Africa's future economic growth and professional skills development.

We would appreciate your assistance in identifying suitable candidates and look forward to working with your institution to support the next generation of professionals.

Regards,

Mohau Capital Bursary
